Hays-Caldwell Women's Center board member July Moreno says he joined the HCWC board for one reason — his sister Joanne. "After having been away for several years working in the non-profit field, I came home to San Marcos to care for my ailing sister," Moreno said. "I remembered HCWC had helped my sister get on her feet some 20 years ago and decided to seek out the opportunity to learn more about the organization and how I could give back for all they had done to help my sister at a time of need. It turned out that the very next week a Volunteer Advocate Training class was about to begin, so I decided to sign up." HCWC will host its 29th Annual Auction tomorrow. The silent and live auctions will be held in the LBJ Student Center ballroom on the Texas State University campus beginning at 6 p.m. Free parking provided.
